

## JUNE 2007 GRIEF SUPPORT GROUPS

Come and learn about the individual experience of grieving through education and discussion.

The staff and volunteers of BraveHeart Grief Services are pleased to offer the following support groups starting June 2007. Our support groups are open to anyone in the community, and most meet for eight weeks. There is no fee for our groups, but donations are greatly encouraged to defray program expenses. Meeting times may be changed due to enrollment. Registration prior to the first meeting is required; please call or email the contact listed to register. We hope you will join us!
